Dear friends and family,

Greetings from Cuba! We are about a third of the way through our trip here! We have very limited internet access and very limited time, so we have not been able to send any updates before now.

We arrived in Miami on January 12<sup>th</sup> and met up with Frank and Jeanette Meitz who lead the trip and partner with us in ministry here in Cuba! Together we flew into Cienfuegos and began final preparations with the leadership here. After arriving in came our dear friends and trainers from many of the different provinces, the cooks and maintenance staff, the musicians from Bayamo, Granma Province...And the conferences began!

Both of the Discipuler Training conferences were incredible! The first week we taught pastors and leaders from the province of Cienfuegos and the second week we taught pastors and leaders from Villa Clara Province. We had 208 attendees in the two conferences!

Our trainers have grown so much over the last year. They have begun taking on a greater part of the conference. They led meetings, they taught break-out sessions and each had an assistant that they were training alongside them to be a facilitator for the next conference. They did dramas to illustrate the concepts of "spiritual parenting", "the character of God" and "what individual discipleship looks like". It has been amazing to watch them grow in leadership and in their knowledge of the DTI material and the skill with which they teach and facilitate.

The next four weeks Pablo and I will be traveling and teaching a two-day seminar on marriage counseling. The first part of the seminar we will teach pastors and leaders how to do Pre-Marital Counseling with individual couples using a curriculum that we have used with numerous couples since 1998. (Before coming to Cuba this year we updated and revised the book and we are super excited to teach the concepts that will help couples prepare for marriage with tools and biblical principles to guide them).

The second part of the seminar we will teach them how to facilitate a small group for marriages in trouble, using the video, video-segments and curriculum from the movie "Fireproof". The majority of the month we will be traveling. In between travels, we will be meeting with 4 couples whom we will be taking through a shortened version of the pre-marital counseling curriculum touching on areas such as acceptance, expectations, communication, conflict resolution...

The following is our travel agenda. Thank you so much for your prayers!
